"This trip was the best thing that happened to me; it gave me the inspiration to step out of my comfort zone, to never doubt myself, and to live life to the fullest."

**-Cheyenne Williams
DLP Winter 2016
G&I Winter 2017**

“Traveling is a better and more fun way of learning because you are in the city walking around and visualizing what exactly happened in the past.”

-Johnny Nuñez
DUP Winter 2016

“These trips provide students a chance to experience the real world outside of their digital world.”

-Maligon Buckner
English Teacher

"The trip solidified my passion to study abroad at LMU. Since Da Vinci, I have traveled to India to learn of the limitations in the country to raise my awareness of injustices around the world. I am dedicated to future travel to help communities around the world in need."

-Alexandra B'Llamas Reynoso
Perú Summer 2016

"Though it was hard to adapt to foreign places, I was exposed to multiple cultures within these places. I learned basics of new languages, tried new dishes, and was introduced to holiday traditions."

-Genesis Asuega
DLP Winter 2016

“Friendships were strengthened as they experienced this event together. You see students outside the classroom; you see them for who they really are.”

-Heidi Jones
World History Teacher

“Introverts
blossomed.
Extroverts led and
made sure everyone
was included in the
fun.”

-Korey Hlaudy
Mathematics Teacher

"My family loves to travel, giving this opportunity to my daughter to travel to another country with her teachers and her friends was a plus.

All in all this is a great opportunity for kids to learn about different countries and gives them ideas to study abroad when they're in college.

PS, the staff are awesome and your kids will be good hands."
